### **River bridge joint sealing closing eastbound lanes next week**

MILLEDGEVILLE- On Monday and Tuesday, Georgia DOT expects contractors to shift eastbound traffic at the Bobby Parham Bridge over the Oconee River.

One eastbound lane will close each day for bridge joint sealing from 8 a.m. to 5 p.m. as weather allows.

This \$2.1 million bridge rehab project also includes one other SR 22 bridge in Baldwin County and the SR 150 bridge over Interstate 20 in McDuffie County. The bridge rehabs feature substructure strengthening, deck rehab, painting, joint replacement and co-polymer deck overlay.

Whenever you approach a work zone: slow down; allow extra distance between vehicles; read signs; obey road crew flaggers; and expect the unexpected.

Citizens should monitor [511ga.org](http://511ga.org) or download the App to stay current on all upcoming lane closures. [Georgia DOT East](#) on Facebook and [@GDOTEastTraffic](#) on Twitter also provide daily updates.
