

## Transform 285/400 Project

I-285 Noise Barriers *as of the January 2022 Schedule Update		
Noise Barrier	Estimated Start	Estimated Finish
1A	Started Previously	Completed*
2	Started Previously	Completed*
3	Started Previously	Completed*
5	Started Previously	Completed*
6	Started Previously	Completed*
7	Started Previously	Completed*
8	Started Previously	Completed*

*\*Map is not to scale.*

*\*Dates are subject to change based on schedule.*

*\*Estimated finish includes only posts and foundations. Several bays will be left opened until final completion of the project for activities behind the walls like paint, ITS, drainage, fence and landscaping.*

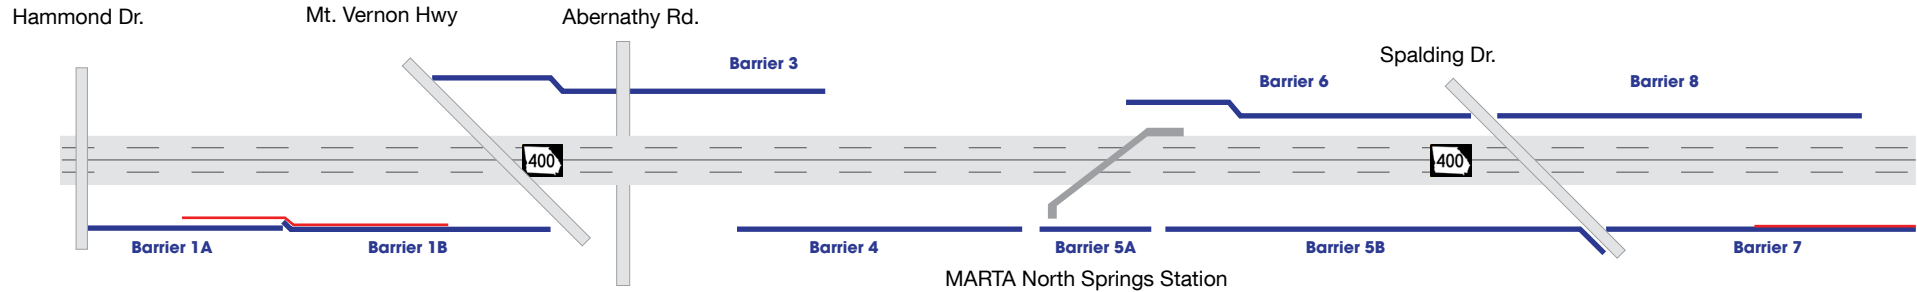

*Noise barrier 1A on I-285 is complete as part of the Transform 285/400 project. The adjacent construction project (I-285 Westbound Auxiliary Lane Extension) has now taken over this noise barrier as part of their ongoing work. For any questions regarding this project please reach out to [285Improvements@dot.ga.gov](mailto:285Improvements@dot.ga.gov) or visit the [project website](#).*
